HAUTE HUES

The discerning gemologists at **The One and Only One** are thinking pink this fall with the debut of their newest natural fancy color diamond stunner, a 4.5-carat fancy purplish pink diamond, masterfully set in this alluring one-of-a-kind ring. Its GIA-certified, internally flawless center stone is simply unmatched in color, shape, and clarity, with a feminine round brilliant cut that's extraordinarily difficult to achieve in fancy color diamonds of its caliber. A pair of fancy blue diamonds totaling .35 carats sets off its cotton candy hue, making for a truly sweet return (price available upon request). The One and Only One also offers unmounted, investment-quality diamonds, which can be set in a custom mounting to create a signature sparkler or stored in a vault to safeguard as they appreciate in value. Joining their elite roster is a vibrant, verdant 1.61-carat fancy vivid green diamond originating in Africa. Dazzlingly pure in color, boasting VS1 clarity, and devoid of fluorescence or brown patches, it's the ultimate diamond investment—complete with naming rights (price available upon request).
