YELLOW DIAMOND RINGS /
THE ONE AND ONLY
ONE COLLECTION

NOT SO MELLOW YELLOW

The latest from **The One and Only One Collection's** selection of natural colored diamonds, this stunning ring spotlights a 36-carat natural fancy yellow diamond in an open basket of micro-set diamonds. Originating from South Africa, the GIA-certified, showstopping center stone was cut from an 85-carat rough diamond, and is one of a kind in both size and color. With its timeless design, this sunshine-hued sparkler would also make for a dazzling, not to mention on-trend engagement ring—yellow diamonds have seen a surge in popularity in recent years, gracing the left hands of celebs like Carrie Underwood and Kelly Clarkson (price available upon request).
