Carats**

New York, November 15, 2013...The Garden of Eden Blue Diamond Suite, a collection of rare Fancy Blue Diamonds more than five years in the making, is available for viewing by appointment only at select One and Only One™ locations nationwide. Comprising a necklace-with-pendant and matching earrings, The Garden of Eden Suite features perfectly matched pairs of Round Brilliant

Fancy Gray-Blue Diamonds and Fancy Grayish Blue Diamonds totaling 10.92 carats. The Blue Diamonds form the pistils of hand-carved Mother of Pearl and Pink Diamond blossoms that have been designed to “float” on Rose Gold vines. All Fancy Gray-Blue and Grayish Blue Diamonds in the suite are accompanied by certificates from the Gemological Institute of America (GIA). The price of the suite is available upon request.

“This exquisite suite of rare Natural Blue Diamonds is truly a work of art,” said Joe Padulo, CEO of Padulo Privé, an adviser to elite jewelers and luxury brands. “Whether you’re embarking on or adding to a long-term investment in Fancy Blue Diamonds, The Garden of Eden Suite is a connoisseur’s collection unto itself.”

A 7.03-carat Pear Modified Brilliant Cut Fancy Grayish-Blue Diamond is the centerpiece of the necklace, and its largest bloom. It can be removed and worn separately as a pendant or brooch. The matching earrings feature 2.05 carats of rare Gray-Blue and Grayish Blue Diamonds, also surrounded by Mother of Pearl blossoms with Pink Diamond detail.

“According to Naval Bhandari of Sotheby’s Diamonds, since record-keeping began in the 1970s, colored diamonds have appreciated at about 10 to 15 percent per year. ‘Yellow diamonds have doubled in value every seven years,’ he says. ‘Reds, blues and greens have seen the greatest appreciation, having quadrupled within the last decade.’”
